Zogby Interactive Survey of Adults - 5/29/09 thru 6/1/08 MOE +/- 1.8 percentage points

Statement A: Children should be protected from all types of obscene and indecent content regardless of what device it is seen on, and the Internet should be regulated as television is. Statement B: The government should institute an online rating system for Internet video similar to one used by the movie industry. Statement C: Any regulation or blocking of Internet video is unconstitutional.
